# *European echoes upon Romanian crematiomist movement*

***Abstract:***

*This study intends to analyze the European influences upon Romanian crematiomist movement from the end of the 19th century to the interwar period. There are identified very strong connections with Italian crematiomists (at the end of the 19th Century) and also Czech crematiomists (interwar period). Also, others patterns of the Romanian crematiomist movements came from UK, France, Sweden or Switzerland. In spite of this facts Romanian crematiomist movement tried to develop its own pattern.*
